

Promise of Seoul, Korea

May 28 - June 1, 2013

The Ritz-Carlton Seoul Hotel, Republic of Korea

**FOR THE 14TH WORLD CONGRESS
OF THE INTERNATIONAL PHOTODYNAMIC
ASSOCIATION**

Welcome to SEOUL!

Invitation to participate in the 14th World Congress of the International Photodynamic Association in SEOUL, Republic of Korea

On behalf of the 14th IPA organizing committee, it is a great honor and pleasure to invite all of you to the 14th World Congress of the International Photodynamic Association, which will take place in Seoul, Korea on May 28 to June 1, 2013.

The host organization, Korean Photodynamic Association (KPA) was established in 2001 and has been heading the academic and clinical development in photodynamic therapy. With its 300 members, KPA is trying to make Korea as one of the leading countries in photodynamic therapy.

During the Congress, it will be designed an outstanding and comprehensive scientific program. We are inviting a large number of world-renowned educators and researchers from the world with a high and qualified scientific content. You are welcome to actively participate and interact with this Seoul congress to make it a successful one.

Seoul has in recent years made itself a prime location for international events. It has been the nation's political, diplomatic, commercial and cultural center for over 600 years. It, therefore, has a rich history and culture. Numerous historical sights and tourist attractions can be seen in and around the city, including royal palaces, sites inscribed on the UNESCO World Heritage list, and excellent shopping areas.

I hope that you could enjoy all the events being prepared during the congress in Seoul, one of the most dynamic cities in the world.

See you all in SEOUL!

Prof. Woong-Shick Ahn, MD., PH.D.
Congress President of the IPA 2013

Host City, Seoul

Seoul, the capital of Korea, is the heart of Korea's culture and education as well as politics and economics. As a city with a history of more than 600 years, Seoul is unique in that historical sites and modern cultural facilities coexist in harmony. And it is always bustling with colorful events, performances and reenactments of traditional activities as well as many international events including the 1988 Summer Olympic Games, the 2002 FIFA World Cup Korea/Japan and G20 Summits.
